**Reference: Membership with PV CYCLE**

Dear Sir/Madam,

I hereby confirm that Renewable Energy Corporation ASA (REC) is a full member of PV Cycle. The membership is valid from 1 January 2013 to 31 December 2013.

The membership covers the declaration of photovoltaic (PV) modules put on the market, as well as the collection, transportation and proper treatment of discarded PV modules in the European Union, in accordance with the applicable national legislation. All REC entities in Europe are included in the membership.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Jan Clyncke", is written over a horizontal line.

Jan Clyncke
